

Ashley Graves

September 4, 1986 - June 26, 2022

Ashley Marie Graves, 35, of Indianapolis, sadly passed from this life on Sunday, June 26, 2022. She was born on September 4, 1986, in Avon, to John Graves and Vicki (Bogeman) Leak.

The dark-haired beauty with the bluest of eyes, Ashley Marie was the youngest of the family with eight years between her sister, Jamie and then five from her brother, John Paul. A headstrong and a happy child, Ashley was carefree, fun loving and marched to the beat of her own drum. Graduating from Tri-West High School in 2005, Ashley was previously employed at Nice-Pak in Mooresville. The light of her world was found in her three beautiful kids and the unconditional love that was discovered in being their momma.

Leaving behind a small army, her memory remains, and the only comfort is knowing that she is free from what robbed her from enjoying the glory of being with family and growing into old age. May her spirit and light fly free up in the heavens and forever remain.

Left to mourn her passing include her three little beauties, Colton and Draedyn McGee of Brownsburg and Kamariaye Moore of Indianapolis; loving mother, Vicki Leak (John) of Lizton and father, John Graves (Donna) of Avon; sister, Jamie Gifford (Kirk) of Lizton; brother, John Paul Graves (Sabrina) of Indianapolis; the fathers of her children Jake McGee and John Moore; 6 nieces and 1 nephew, along with the circle of extended family and friends.

Cremation Arrangements have been entrusted to Light Memorial & Funeral Chapel in Monrovia. Ashley's family will gather privately for services and cremation will follow. “ *What a sweet and beautiful baby girl; as a child was always cackling and so good natured. Our dad loved playing “peepie” with her. Became one of the second “four” cousins added to the Graves family. So many fun memories of the cousins playing and swimming at family shindigs at both lake houses on Nyona and Eastlake. Pictures are a wonderful thing and so many were taken and kept to share for future reflection. Thanks to all our friends and family who are supporting through prayer and consideration.*

Worked with this beautiful soul at Nice Pak. She was a hard worker and very kind. So hard to accept she has left this earth. Hoping my words of wisdom helped you on those tough days. ❤️ Fly high sweetie. I'm seeing you dancing on the clouds watching over your loved ones.

Ashley Marie was that little girl that I feel was almost as much my daughter, spending so many of my younger years with the Graves family. The most memorable experience was the weekend my ex and I were watching the kids as Vicki and John were going out of town. I had never had the experience of three siblings all coming down with Chicken Pox at the same time! And poor Ash was so sick, she just wanted to be held, so that's exactly what I did all weekend. It may have felt like the longest weekend of my life, but I'd give anything to do it all over again. So many memories for such a short time. Love you Ashley, and will miss you even more.
