“ I miss you 😞 every single day. It never gets easier, my heart hurts. I can't believe how life just moved on, when you meant so much to everybody stuck here. I'm sad without you, Dales sad without you. I can't take it anymore, I can never find closure with losing you. I can't bare it, it's not okay. It will never be okay. I just want 5 more minutes. Why did God take you away from us, we needed you more than you needed us. I miss you, best friends forever. For eternity. Rest well love, I will see you soon. But for now I'll live for you, and pray to you every day. Listen for my voice, im still here! .. broken but im still here. I love you!
