

Daniel Wesley

November 30, 1967 - January 20, 2016

Daniel F. Wesley, 48, of Martinsville, passed from this life on Wednesday, January 20, 2016, in Bloomington Hospital, after enduring complications from a heart attack. He was born on November 30, 1967, in Martinsville, to the late Robert Otis and Nora Jean (Meeks) Wesley.

Dan graduated from Monrovia High School in 1986. An extremely gifted woodworker, his passion for the trade was instilled at a young age by watching his grandfather and father whittle. In addition to carpentry, Daniel was a self-employed contractor and specialized in making cabinets. His co-workers and people he worked with were valued and even thought of as brothers. A generous and intelligent handyman, Dan was known to drop anything at any time and drive wherever needed to provide home repairs. The last 29 years of his life were happily spent with his companion, Patricia Hamilton. He treated her children like his own and truly adored spending time with and spoiling their grandchildren. Dan enjoyed telling jokes and tinkering with various projects in the garage. He will be truly missed by all who were blessed to know him.

Along with his parents, he was preceded in death by his sister, Bobbie Jo Pitman and a brother, John Wesley.

Survivors include his soulmate, Patty Hamilton of Martinsville; sister, Tammy

Tankersley (husband, Rick) of Wilbur; step-children, Lisa Hamilton (companion, Charlie Jones), Angie Suter (husband, Shane), Bill and Danny Hamilton all of Martinsville; 12 grandchildren; 2 great grandchildren; many nieces, nephews, cousins and friends.

A Graveside Service will begin at 2pm, on Saturday, January 23, 2016, at Nebo Memorial Park in Martinsville. Funeral arrangements have been entrusted to Light Memorial & Funeral Chapel in Monrovia. In lieu of flowers, memorial contributions may be made to the family to help offset funeral expenses, C/O Light Memorial & Funeral Chapel, 585 E. Main Street, Monrovia, IN 46157. “ Dan was a great guy! We called him the wood whisperer. He could do anything with wood and made it look easy. He was always so full of positive waves and was a joy to be around! Tom and I will miss him terribly!

I bet Danny was a real good guy but from where I am sitting his whole life was a lie because I'll bet my bottom dollar that nobody that you know knew him before 1986 that's when my uncle Dan supposedly die here in Bakersfield CA. Whatever this bullshit is or is about just let Danny know that I got this because all his enemies have left to take is my life . I thought that my memories of him were good ones cause I worshipped the ground he walked on but after seeing his face after all these yrs I feel betrayed and foolish for believing he was dead . Did he ever speak of Nickie and Erica his one true love . His whole life was like a trip on LSD but as he would say it was like a fine wine only got better with age . And with age comes wisdom . I was 16 in 86 and that's when Stan Dollan killed Daniel Wesley Bronson so I thought . Well where ever or who ever he is or was he can stay dead as long as Stephen Long is concerned . 661-629-4046 my #

“ Dan was one of a kind with a heart as big as gold. He taught me as well as so many others his craft of woodworking but never was able to master it like him. I was so lucky to have known him and will miss him so much.

“ Daniel will really be missed by our family. He was a very loving person and loved my sister and her children and grandchildren. He was a great carpenter and loved his trade. No matter how tired he was he could never tell family that he couldn't help them. Daniel Wesley was one in a million and I know God opened his arms to greet Daniel home.

We love you and miss you.

“ Daniel will be truly miss. He wasn't just the best grandpa anyone could ask for, but he was also a great man. Work hard to provide for his family, could fix anything that was wrong. He was the guy who loved construction, work day and night doing it. He taught me everything I know, not just about work, but about life. Daniel will be truly love and miss.
