“ How do you share A memory when there are so many. Sharing is truly hard, but your loss is even harder. Cousin by marriage but true blood and family in every way. You will forever be in my/our hearts as you are a truly an amazing woman. The time spent together with you, Emil and the kids over the years was a true blessing. Our family is honored to have had you in our lives. We will always remember the great visits and shenanigan with Unc, my mom, Jessie, Dave and myself. You meant so much to us all, especially my mom and uncle Frankie. If I had to share one memory that was exciting was the day you took me on my first Geocache hunt. I still have the picture to this day that you took of my find. Sharing your hobby with me was so amazing. I unfortunately did not get your talent when it comes to gardening but your gardens were so beautiful especially with all the birds that came to visit. I hope you are happy with dancing in heaven with Emil, my mom, Unc and all your lost family and friends. Until we meet again you beautiful lady. Love always Connie Shaffer and Family and Earl Unrue.
