*A precious little one was sent away
To be in heaven with Jesus today
He was sent to us from God above
For the both of us to cherish and love
But now he is an angel with tiny wings
Above the clouds watching over things
Please don't shed anymore tears for me
Because God chose the best, don't you see
As long as you keep my memory in your heart
I will always be your son and we will never part

“ *The Lord created this precious little angel, Gannon and he wanted him back for a reason. We may never know why or understand it but the Lord Jesus Christ needed his angel baby back! I am praying for all of you during this devastating time. I'm so very sorry.*

“ *When God calls little children
To dwell with him above,
We mortals sometimes question
The wisdom of his Love.
For No heartache compares with
The death of one small child.
Who does so much to make our
World seem wonderful and mild.
Perhaps God tires of calling
The aged to his fold,
So he picks a Rosebud
Before it can grow old.
God knows How much we need them
So he only takes a few,
To make the Land of Heaven
One beautiful to View.
Believing this is Difficult
Still somehow we Must try,
The Two saddest words mankind knows
Will always be Good-bye.
So when a child departs
We who are left behind,
Must Realize, God Loves children
And Angels are Hard to Find.
My deepest condolences
