I am very sorry to just hear about the passing of Bob. He was my older cousin but we did not see each other much as our paths went different directions. He was an encouragement and a help in my younger days when I was trying to establish what I was going to do with my future. He and Uncle Fred really were good to me. Always friendly but serious at the same time. I last saw he and Esther maybe a couple of years ago in Plainfield at the Golden Corral having lunch on a Sunday afternoon.
