“ Hazel was truly as close to being a saint on earth as anyone I have ever known. When she was younger, she was a very strong and loving example of a Christian to me. As a child I appreciated so much how much she loved God and his son, Jesus Christ. Even though I did not accept that path for my life until later, I still drew on my experience of watching her live her life and talking with her as she shared her faith. What stood out was her gentleness and love. I am so blessed to having known her.

“ Four o clocks, peonies, singing in the kitchen, pot roast Sunday's, mayonnaise cakes, yeast rolls, Shrinky dinks, talking and squealing the whole time during a scary movie, cinnamon rolls, blue pantyhose at the water park, always asking for me to make biscuits and gravy, Hawaii five o, Bob Hope's movies and TV shows , Jim Neighbors as Gomer Pyle, The way you loved to watch PGA tournaments only if Tiger Woods played, daily bible verses, gardening in the yard, snapping beans on the table, trips to Browne county, stopping to eat at Stuckey's, Hair -do Saturdays, legs pantyhose in the egg nude color only, eating saltine crackers in your bed, Dr. Pepper & sprite, how you loved to smell fresh cut grass and gasoline, honeysuckle fragrance, Avon ladies and Imari perfume , making rounds to nursing homes and elderly homes and peoples homes who needed more help than you did, church on Sunday morning Wednesday evening and Sunday nights, skirts and open toe shoes, clear nail polish & curlers, pastel colors and lace, how ticklish you were, standing next to the air vent while you had prayers in the winter, looking and yelling for me out the kitchen window when I was outside,. I could probably go on for days thinking of my memories but the most important thing is I have all these memories and more and I will always have them. I love you mom and I will always love you and miss you but I do know you are where you should be now and you are and always will be in my heart and my memories.

“ *Hazel lived closer to Jesus than any other person I've ever known. She gave Jesus to all she met in her quiet and graceful demeanor. Now she is with the one she loved, her Savior and best friend. There's a song by Jeff and Sheri Easter called "Going Away Party" That makes me think of Hazel so much. Hope you will listen to it in memory of Hazel.*

“ *Not a kid in the family didn't love Aunt Hazel or Hazie, or Gramma. We will miss her, but we know where she is, so if you want to see her like this picture ever again.. do what she told every single one of you. Know Jesus is waiting for you to say, yes to Him. That was her whole thought pattern for all of us. She is free of all pain and nothing can harm her ever again. She still loves you.*
