

Homer Wallin

March 9, 1939 - September 13, 2016

Homer Wallin, 77, of Monrovia, passed away on Tuesday, September 13, 2016, in the comfort of his own home. He was born on March 9, 1939, in Brodhead, Kentucky, to the late Robert Ed and Eudell (McNeely) Wallin.

A longtime resident of Morgan County, Homer has resided on Bunkerhill Road in the same house for 67 years. He attended Monrovia High School and went on to proudly serve his country in the United States Air Force. He drove a truck and worked at the docks for Yellow Freight in Pontiac, Michigan for many years. An extraordinary, simple man, yet full of character, Homer had a knack for socializing and could spark up conversations everywhere he went. With a friendly, outgoing and humorous personality, Homer traveled various paths in life. He found his way and filled the missing piece when he was introduced to a woman named April Pedigo; to whom he was united in marriage on July 8, 1987 and blessed to share 29 years together. The Wallin's ran local paper routes for 6 years. After an unexpected heart attack, Homer was forced to settle down and took interest in collecting vehicles and tinkering with odd and end things. He enjoyed riding motorcycles and was a proud owner of a Honda Gold Wing. In addition, he had an extensive shot glass collection and enjoyed listening to old country and bluegrass music. Homer will be deeply missed by his family and the many others that were blessed to cross his path.

Along with his parents, he was preceded in death by his brother, Marvin

Wallin.

Survivors include his wife of nearly 30 years, April Wallin of Monrovia; children, Kevin Wallin (wife, Stacy) of Frankfort, Tony Greene (wife Tracy) of Florida, Ryan Wallin of Broad Ripple, Troy Wallin of Martinsville, Autumn Hinders (husband, Alan) of Lafayette, Joe Wallin of Greenwood and Josh Wallin of Danville; many grandchildren, with one great grandchild on the way.

“ April, I am so sorry for your loss. Before I retired from Wal-Mart, you and Homer always stopped and talked to me. I went to school with Homer. He was such a jokester. He had me laughing every time I saw him.

My prayers are for you and your family. You can be proud that he was so well liked. He never failed to tell me how much he loved his family.

“ We are going to miss this guy so very much, he and my husband were friends from way back, they were kind of like brothers you might say and boy could they tell some stories when they got together. I'll never forget the first time I rode in a car with Homer, a bunch of us piled in his Cadillac convertible, as he pulled out of McDonalds parking lot smoking the tires, we made it about two blocks and got pulled over by the police and he just laughed about it like he always did. We're going to miss that laugh and silly sense of humor of his.

God bless his family, love you all Gene and Teresa Meyer.

“ Homer you was a great friend of my grandpa Bob Baker. I remember you guys talking and tinkering with things and telling each other what you was both going to do next. You was a joy to be around. I was about 7 years old at the time. You both are up there now talking about things and catching up. More than likely tinkering with car parts or lawn mower parts. May you rest in peace.
