“ I will miss my Grandma tremendously. I am so thankful for the strong bond we built over the years. She was my confidante and my best friend through some of the most difficult years of my life. She was a wonderful listener. Many a times she would sit and listen to me pour my heart out over a bowl of butter pecan ice cream. I will miss taking her shopping, going on bus trips with her, watching QVC with her, and hearing stories about when she was young. I loved her more than she will ever know. She meant the world to me. Thank you Jesus for my Grandma. ❤️
