

Julie Connor

April 22, 1962 - August 16, 2016

Julie R. Connor, 54, of Monrovia, passed from this life on Tuesday, August 16, 2016, in Aurora, Indiana. She was born on April 22, 1962, in Indianapolis, to Lloyd and Rose (Lee) Owens.

Julie graduated from Lawrence Central High School in 1980. A strong-willed, free-spirited and fun-loving woman, Julie had a piercing, infectious laugh and was the type of person to never meet a stranger. While out dancing one night, Julie instantly clicked with a man that she met and found the love of her life, Timothy Connor; to whom she was united in marriage on March 24, 1991. Shortly after, they moved to Monrovia, where they successfully raised four beautiful children together.

In addition to being a compassionate mother and wife, Julie worked for a period of time in the suites at Conseco and Lucas Oil. A generous volunteer in the community, she proudly supported her children by working many games in the concession stand and even led the Monrovia High School Athletics Booster Club. Julie was a talented cook; specializing in making the best lasagna and salad. On the weekends, Tim and Julie could be found boating on their Chris Craft or at the Lighthouse Yacht Club in Aurora, where they enjoyed staying at the dock and spending time with friends and family. Although her time on earth was brief, she lived life to the fullest and left a smiling legacy of memories with all who were blessed to know her.

Along with a host of cherished in-laws, survivors include her parents, Lloyd and Rose Owens of Indianapolis; her loving husband, Timothy Connor of Monrovia; sons, Scott Dobkins (wife, Anastacia) and Timothy Connor, II (wife, Jessica Blanco-Marcos) both of Monrovia; step-daughters, Melinda Lindsey and Corie Connor both of Indianapolis; brother, Page Owens (wife, Kathy) of Indianapolis; three adored grandchildren, Paul McGinley, Talan and Maddox Dobkins; canine companions and fur-babies, Rudy, Otie and Netty.

Friends and family may visit from 1-5pm, on Saturday, August 20, 2016, at Light Memorial & Funeral Chapel in Monrovia, with a Celebration of Life Service beginning promptly at 5pm. Pastor Jack Elliott will officiate services and cremation will follow. “ We are so sorry to read about Julie's passing. I meet her several years ago. My husband played golf at Buck Creek where she worked . I did not play golf but would go over and ride with him. If I didn't go he would call me if she was working and I would go over there to see her. We enjoyed sitting there chatting with her. She would always talk about her family and going to the lake to go boating on the week-ends. We went down to her house one year when they were harvesting the shrimp. She was a sweet, loving and caring person. We have not seen her since she quit working at the golf course but I enjoyed following her on facebook. She will be truly missed by her family, friends and all who knew her. Jan & Dennis Rahn

“ So very sad to learn of Julie's passing; she rescued my yellow lab "Mosby/Mogley" from death's doorstep and was a great mom to get fur babies. Her love of life, family and animals will sorely be missed. So Julie, give my dear sweet Mogley a hug and kiss up in heaven ... I will miss you

“ Heartfelt sympathy to the Connor family ... Julie adopted my yellow lab "mosby" and rescued him from death's doorstep. She renamed him Mogley and he became a companion to Rudy and Tim jr. Her love of life, animals, her husband and children was clearly evident . I am honored to have met her and mourn her loss . Sylvia Garrison Bloomington

“ My wife and I met Julie 12 years ago when I became the drummer for her husband Tim's band. Immediately I could tell that she was a vivacious, warm, fun lady. She always had a smile and a kind word. She was loyal follower of the band and was, of course, Tim's biggest fan. I don't think she missed a show in all those years. When we would practice at their home; she always prepared food for us. Loved the shrimp harvests and her jambalaya. Such a wonderful person that is gone far too soon. Our hearts weep for Tim, Tim II, Scott, Corie, Melinda and their entire family. The Lord has a true angel at his side today.

“ The Malm Family and Connor Family met 6 years ago (almost to this day) when our sons became freshman roommates at DePauw University. I struggled with letting go of my first born and was a hovering mom that day. In only Julie's (aka Sunshine's) way, did she reassure me that in time it got a little easier (but never better) of letting my son continue in his new chapter of life.

I always seeked her out at games, DPU special occasions, and the plethora of Delta Tau Delta functions (most special to her and me were the Mom Proms). Why? Because she was full of life! She always knew how to make me giggle and smile.

I spoke with Julie a few weeks ago. I talked to her about my mother who has Alzheimer's. She provided me with such reassurance when I so needed it. I am eternally grateful to her.

Our conversation was full of catching up and talking about Timmy and Tim. She loved them so much and was so proud to be a mother and wife.

I am at a total loss on how to take away your heartache and loss. I wish I had a rewind button to push and a pause button. The Malm Family loves you all so very much and are keeping you close to our hearts/prayers.

Love, Denise Malm and Family.

“ I will never forget the day my husband and I met Julie. We were at our sons youth football practice and we got to talking, introducing ourself. Julie asked how long we had been married and the look of our faces must of been priceless. We both realized doing the math in our heads that we missed our anniversary by a week. Julie of course laughed hysterically and from that day forward we have been friends. Every year me and my husband talk about that year we forgot our anniversary. Our anniversary is this Saturday, the day Julie will be laid to rest. I am blessed to have that wonderful memory of Julie and to think of her every year on our special day. Julie you will be greatly missed. Prayers to the family and friends of one special lady!

“ I met Julie many years ago. I knew her before she became pregnant then had my wonderful nephew, Scott. I always liked Julie and remember her warm smile, outgoing personality and good looks. She was a naturally pretty. Julie was a good mother having raised two fine sons and was a good and loving wife. I didn't have occasion to see Julie very often as I've lived in California for 39 years and didn't get back home as often as I wished. My memories of Julie as well as the good shares we had on Facebook will always mean so much to me. I'm shocked and saddened at her passing. My heart and my love go out to her family.
