“ We learned a lot about Karen through our brother Ken. He and Forrest Loved being with her, playing games and talking forever!! We will miss hearing all the stories and what a great person we have lost. We have all been praying and hoping for a miracle. But I think she is in a great place and hope Ken, Forrest, and the rest of her family can be consoled by believing it and knowing she is now watching over you all! My deepest sympathies go out to you....Cathy Metz (Rohl)
