“ I went to school with Lisa. We where roommates after high school. She was so bubbly and fun to be around. I remember sleep overs and we had so much fun. She had so much faith and fought so hard. I will miss you my dear friend. Becky (Bock) Hilliard

“ Rev Terry J Carter - Lisa was truly a light in this world of Darkness. She had a love for people, her co-workers at Valley Motors, her Church and her family. She was a very loving host and a great cook. She had unconditional love for her Children and family. She will be greatly missed by all who knew her. Truly a virtuous woman who showed it in all that she did and done at home, work and in Church. Another Saint is now in Heaven. Love you Cuz and I always will.

“ Lisa always had the most beautiful smile that I ever saw & the sweetest spirit I know! I will never forget the words she said when I told her I was so sorry to hear there was nothing else to be done. She told me (Don't be sorry for me! I'm going to see Jesus!) Those words have forever touched my life! Her faith & strength has touched many a person. My love and heart felt prayers go out to Chris, her children, her Mama & Beth! I love you all so very much!
