

Novaliegh Nation Roark

July 16, 2024 - July 16, 2024

Baby Novaliegh Nation Roark was born sleeping on Tuesday, July 16th, 2024, at 8:53pm at Sydney & Lois Eskenazi Hospital in Indianapolis. Initially expected to arrive on December 12th, 2024, the Roark family was over the moon with them to welcome a baby girl into their family. She left a brief yet everlasting memory to remain with her parents, loving Corey and Mekenzie Roark of Gosport.

In addition to her parents, Novaliegh's unexpected turn into heaven leaves a void in hearts of her three older brothers, Brentlee, Ayden, and Oakley Roark of Gosport; grandparents, Keith Fullen of Martinsville, Brenda and Kalib McPike of Gosport, Bryan and Toni Roark Mooresville, Cindy and Richard Kivett of Florida; great grandparents, Brent and Teresa Sample of Paragon, and Sandy Fullen of Martinsville; aunt and uncles, Hailey Mabie (Corbin) of Gosport, and Tyler Roark of Martinsville.

Funeral arrangements have been entrusted to Light Memorial & Funeral Chapel in Monrovia. The immediate family and close friends gathered for burial and Graveside Services that took place on Tuesday, July 23, 2024, at 4:00pm, in Friendship Park Cemetery, Paragon. Pastor Charles Tinsley officiated the services. To send an online condolence or light a memorial candle in Novaliegh's memory, please visit her online tribute wall at www.lightmemorial.com
