

Paul A Gibson

April 19, 1956 - July 6, 2016

Paul A. Gibson, 60, of Eminence passed from this life July 6, 2016, after a long illness. He was born April 19, 1956 to Walt and Doris Gibson in Shelbyville, IN.

He attended Eminence High School and later joined the U.S. Army, where he was stationed in Germany, in the same tank division as Elvis Presley. Ranked a Sergeant, Paul proudly served his country for eight years.

A hard worker and jack-of-all-trades, Paul was a handyman, a sheet metal worker, a welder, an electrician and hauled wood; just some of the many things he accomplished in his life. When the little country store in Plano needed their Coca-Cola sign fixed, Paul managed to build a replica that looked just like the original. He loved helping people.

Paul loved being outdoors. He spent a lot of time fishing with his son, RJ, and telling stories. He liked shooting pool with his brother, Mark, and bet his entire pay check on a single pool shot Mark was about to make. Mark made the shot and Paul gave the winnings back. A fun, outgoing, interesting and funny man, he will be missed by many.

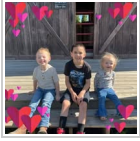

Survivors include his parents, Walt and Doris Gibson of Eminence; Brother, Mark Gibson of Eminence; children, Rodrick (RJ) Derringer, Christina Marie

Gibson, Danielle Nicole (Gibson) Welty and Michael Paul Gibson.

He was preceded in death by his wife, Rebecca (Cameron) Gibson.

A memorial service will be held at a later date. Cremation arrangements are entrusted to Light Memorial and Funeral Chapel in Monrovia. To share a favorite story, send the family an online condolence, or light a candle in his memory visit www.lightmemorial.com.

“ Paul had such wit and a fantastic smile and laugh. We will all miss him; but we won't miss him as much as Walt and D.

“ I have known Paul since the first day he came to School at Eminence. We spent many nights with each other. He took my part in a couple of high school altercations. Later, when I was ministering in Indianapolis, he called to ask if I could fill in at a wedding for friends - the planned minister had suffered a heart attack. When I arrived I discovered it was a biker wedding and before the ceremony began, several of the guests gave me an article of clothing to wear. When we finally started I wore black leather chaps, a studded vest over a Hog Holler t shirt, a Harley bandana on my head, a forty pound motorcycle belt and a death head ring. Other than that it was a highly traditional ceremony. Paul laughed and laughed.
