“ Such happy memories of this kind, gentle man. In his first years living in Indiana he lived with Morris and me for awhile until he found employment and a wife to share his life. We loved having him with us and will miss him so much. I love you Paul.

“ Although my heart is broken I will hold on to all the amazing memories made while growing up to more recently trying to get Uncle Paul to admit I was his favorite niece. Although he never said it out loud the smile and little chuckle said it all. I'm going to miss you so much but find comfort in knowing you are in good hands now! Give Grandma, Uncle Asbury and Uncle Emery hugs from all of us.

“ *My childhood is made up of wonderful memories with my Uncle Paul. Whether it was staying with us in a little white and red trailer or our numerous trips to the “holler “ to grandmas house. He was a kind gentle and humble man who will be missed by many*❤️
