“ *Uncle Ray was definitely one of my all time heroes. Many find memories of a Veteran and faithful family friend. I know that we are going to see him again.*

“ *I haven't seen Ray for a long time sense he moved to Georgia, but when he lived here in Tampa Florida, we worked together for quite a while. Ray always had a way to make you laugh even when things were going kinda rough you could always get a good laugh going. Ray was a good friend to me back then, and there was nothing he wouldn't do for you " if you were one of his friends." Wish I could have seen him after he moved but I know Heaven is a little sweeter with him there.*

I will pray for all his friends and family for comfort in this time of your loss.

See you again one day old friend.
