“ Roughly 11 years ago my sweet Grandpa rescued the sweetest little dauchshund ever, took her home, and immediately called my parents saying “I got Ashlyn a dog”. Little did he know that dog became my best friend and my heart outside of my body. I could never thank Grandpa enough for giving me my lifeline for the last 10+ years. She passed away one week before him so now he gets to hold and love her for me, again, until I get there. His love, support, and humor will be missed dearly!
