“ *Always thought a lot of you old man I enjoyed working with you, you had a strong voice about you, but I learned a lot from you. You taught me how to not be afraid to take things apart, and how to do different things. You made me feel I could accomplish anything if I just wasn't afraid to do, I could do anything if I just tried. Thank you Gene I for one will miss you. You were a great coworker, and I was proud to call you a friend. Rest in peace.*
