

## Samantha S. Jackson

September 18, 1986 - October 4, 2021

Samantha “Sam” S. Jackson, 35, of Brownsburg and formerly of Monrovia, gained her angel wings on Monday, October 4, 2021, with her loving family by her side, while in the care of Danville Regional Hospital. She was born on September 18, 1986, in Danville KY, to the late Billy “Dale” Jackson and Teri K. Still, who survives.

Transplanted into the small town life of Monrovia at an early age, Sam was a sweet and bubbly little girl who warmed hearts with her adorable little lisp. With a private circle of friends, yet a large network of acquaintances, Sam spent her extracurricular activities in choir, as well as cheerleading with the Monrovia youth league.

After high school, she secured employment, finding her passion for being able to connect with people of all walks of life, as a leasing manager for apartment complexes. Her first job was with Beech Mill on the south side of Indy, later moving to Legends, formerly known as Coppertree, before landing her forever job with Dublin Glen Apartments.

Free-spirited, fun-loving and sometimes with a wicked, dark sense of humor, Sam was a no nonsense type of gal; it was her way or the highway at times. She loved life, her family, and especially her son, Brayden. A fierce and protective mother, she was a matriarch to be reckoned with. She was deeply

connected to nature in the spiritual sense, finding solace in meditation and the healing powers of crystals. Deeply rooted with her father, Dale, the two were often referred to as “two peas in a pod”, sharing a strong bond of inner connections. She will be profoundly missed by all who knew her.

Along with her father, she was preceded in death by her grandparents Tracy and Eleanor Still, and Billy C. Jackson.

Sam leaves behind her beloved son Brayden T. Jackson of Brownsburg; mother Terl Still of Brownsburg; brothers Billy Jackson of Mooresville and Jesse B. Cline (Alex) of Greencastle; best friend Sam Asperger and her son, Tristan of Jamestown; and her fur baby Mr. P.

Sam’s family would like to give a special shout-out to the amazing team at Danville Regional Hospital. The ICU Team there did everything within their power to ensure she would pull through her ailments, to continue her life’s journey as a dedicated mother, daughter, sister and all around stand up human being. They tried their best, but it just wasn’t in God’s plan.

Cremation Arrangements have been entrusted to Light Memorial & Funeral Chapel in Monrovia. A Gathering of Friends & Family will be held on Saturday, October 16, 2021, from 11:30a.m. until 1:30p.m. at Light Memorial & Funeral Chapel, with A Celebration of Life Service beginning promptly at 1:30p.m. Pastor Keenan Steinway will officiate, and services will be livestreamed on Light Memorial’s Facebook page. “ *I met Sam when I was the Property Manager of Beechmill Apartments. I was gone on vacation and my Supervisor was looking for a weekend Leasing Rep. and Sam applied for the job. When I returned from vacation I had a new employee. Sam didn't have any experience but she turned out to be one of the best leasing reps. I ever trained*

*What really stood out to me about Sam, on the personal side was how much she adored her "nugget", her son Brayden. He was her life. She talked about hm all the time. She was a good mother and her whole life was wrapped up in being what he needed. Sam eventually moved in on from Beechmill and progressed with her career, eventually being promoted to a Property Manager. I was and am proud of Sam as a former mentor and a friend. I am praying for her "nugget" as I'm sure he is struggling to understand the profound loss of his Mother and also recently of his Grandfather. My prayers for the Family. May GOD give you his Comfort, Mercy and Grace and help you to trust him.*

“ Sam, where do I even start? We were so close growing up, we were together all the time when you were at your dad's. We had some of the best times there, memories I will cherish forever. You are the one that introduced me to peas and cheese. Hahaha. I thought you were crazy, it sounded so nasty but you made it and it was awesome. I still make it to this day and it always makes me think of you. ❤️ We were just talking a couple weeks before you got sick and was making plans to get together. I so wish we could have done it and I could have got one of your great big hugs. I love you Sam and you will forever be in my heart.
