“ I remember being with her on the youth group bus, laughing and cutting up, joking around with James Brunner and a bunch of other kids, going to the skating rink. You were a friend Sandy and you will be missed. RIP you have earned it.

“ On my first day in 4th grade at the now razed old brick school in Hazelwood, Sandra was among the first to welcome me and make sure I met other kids from Mrs. Stewart's and Mrs. Sims' classes at recess -- along with the ladies who were such great cooks in the basement cafeteria. Eventually, we moved on to a larger school (also long gone) in Clayton, and then spent our final year at the brand new Cascade High. When remembering Sandy, I think of her enthusiasm in 4-H activities and projects, the organizations we belonged to like Sunshine Society and Cheer Bloc, and her unwavering friendly style over those years so long ago. My condolences to the entire Littell family and may Sandy rest in peace.

“ Grew up with Sandy and Mike in Hazelwood. My parents were Powers and Della Burnett. We farmed together, went to school together, played together, well not much, we were too busy working, as only people who grow up on a farm can know. But we knew each other pretty good, and rode the bus together, went to ballgames, etc. I graduated in 1963, but I remember Sandy and all the Littell as a part of my childhood. Sorry to hear of her passing. Prayers for all the family. I always remember my childhood and Hazelwood with only the best of memories. By the way Randall taught me and Sandy Crouthamel how to dance when we were teenagers. He was married to Jean, Sandi Crouthamel mom at the time. Sandy was a really nice friend to me and I remember her and the whole Littell family Shorty, Larry Dale, Randell, Mike, Tommy all of them with fond memories and respect. Please let Mike know I send him and the whole family prayers and caring . Thank you, Carolyn Burnett Thommen
