

Steve D. Sexton

February 25, 1962 - November 9, 2023

Stephen Duane "Steve" Sexton, 61, passed from this life unexpectedly at home on Thursday, November 9, 2023. He was born in Indianapolis on February 25, 1962, to the late Joseph Sexton and Mary F. (Lawson) Sexton.

A proud graduate with the class of 1980 from New Palestine High School, Steve continued his studies at Indiana State, earning a B.S. in Aeronautical Technology; this is also where he met the love of his life and future wife, Chris. The young and in love couple took their time settling into each other's lives and were joyously united in marriage on June 7, 1986.

Securing employment with Consec and Simon enterprises, Steve was a dedicated corporate pilot, traveling all over the world, before deservingly retiring in 2008. Having never met a hobby he didn't like; his favorites were golfing and fishing. With a love of music in his soul, he was gifted with the ability to strum out melodic tunes on his guitar. Creative in every way, he could whip up any dish without a recipe.

A loving father and devoted husband, Steve was known to nudge his only son, Skylar to try new things. After living in the city, a good deal of his life, the call of country life beckoned him to pick up and move to the serene, quiet life of Morgan County where he was blessed to live on a lake. Leaving this world too soon, he will be missed by all who knew him.

Steve leaves behind his wife, Christine “Chris” (Dohrman) Sexton of Monrovia, son, Skylar Sexton of Monrovia; mother, Mary F. Sexton of Columbus; sister, Kim Harper (Doug) of Columbus; niece, Sarah Pedraza (Kody) of Indianapolis; along with his beloved Jack Russell, Callie.

Cremation Arrangements have been entrusted to Light Memorial & Funeral Chapel in Monrovia, and a private Memorial Service will be held. In lieu of flowers, memorial donations may be made to the Special Olympics online by clicking <https://www.specialolympics.org/>. “ I am so sad to have learned of Steve’s passing. My sincere condolences to his family.
I met Steve when we both worked at Sambo’s restaurant in the late 1970’s. He was a cook and I was a waitress. My first real boyfriend, I loved his sense of humor and sweetness. After going to the New Pal prom together as high school juniors, we followed different paths as high school seniors. What is funny is he became a pilot and I ended up working for several airlines including my current employer. We loved driving on the country roads in his black Camaro. Heaven has a blessed angel in Steve. ❤️❤️❤️

“ Steve and I met in Tulsa, OK. He was 18 and I was 20. We became roommates by chance and for a year and a half we began to discover the world. There are not enough words to relate the memories we shared from our first apartment, but we made enough for many hours of reflection and laughs over the years. Steve was a great friend, and he will be missed. To Chris, Skylar, and his awesome mom Mary, I share in your loss...

“ *I'm shocked. I'm just now hearing about this. Steve was a great human and I always enjoyed his chuckle when I just joking with him. So sorry for your loss.*
