“ I love this lady! Sue had the biggest, kindest heart of anyone I've ever met and I'm proud to call her Aunt Susie. She could take joy in the littlest things and loved everyone. She worked so hard and never complained. The compassion she felt for every living thing is incredible. I will never forget this wonderful and amazing woman. My heart is broken. We have truly lost our sunshine. Rest in peace beautiful lady, you deserve it.

“ Sue was one of the nicest people you could ever meet. She took time to speak and be kind every time I saw her. This lady worked hard all her life... The world would be a better place if more people were as like Sue. Prayers for peace.
