“ *My deepest sympathies go out to you and your family. May God give you the peace that you seek.*

Wishing healing to all the family...Terry is suffering no more and has his wings now ...as we remember the good times and people he touched with kindness!

I met Terry as a customer many years ago @ Kroger When I asked him to look for a out of stock item..only to see his handicap afterward ..but, he did not complain just a welcoming smile and kind voice as he checked in back for me. Over the years we talked every time I saw him in the store and he had a great sense of humor regardless of his physical challenges!

He will surely be missed!

May he Rest in Peace!
