“ Well first of all terry was my grandmother, & the best one there is. She was the rock to my family.

She loved without condition & never held a grudge. She would forgive you for all mistakes you've ever made and take you in as one of her own.

my grandmother Terry was a free spirited beautiful woman.

She was a fox. !! & anytime I ever needed advice or just someone to talk to I went to my grandma. She always knew what was best, even tho I might not have always done what was best, she still told me what the right thing to do was.. some of her last days she knew that it was her time to go.. go home that is. She constantly told me she just wanted to go home & be with my oldest brother Jordan mills, who past last year November 9th of an accidentally shooting incident and i know for a fact she's up there with him right now smiling down us. Happy & content because she's with her father !! I love you more than anything gma. Me & you always had a special connection the type of connection that you will search for, for 23 years n never find.

My grandmother loved my daughter Izabella jordyn wattetson more than life itself. She would be dead asleep can't move or anything, & I would walk I'm with that baby & shed hop up like she was 17 & going to prom, or going to 2 pacs concert lol she loved her r&b back in her day. I remember her dancing with a black light n other lights on in her basement doing the robot !! 💕💕

gosh she was an amazing woman, & to those who never got the chance to meet her,, you sure did miss out.

Well rip grandma. You'll be forever missed and loved. 💕💕 Taylor mills.

“Wow! Where to start. Terry was like a second mom to me. We had a lot of memories together. Not only was she my aunt but also a very special person to me that I loved very deeply. Terry was a loving, giving, good hearted person inside and out. She would give her last dollar to anyone that needed it. Terry lived her life for her family. She always put other people's needs before herself. That's just who she was. Terry grew up with her other siblings as a child(Sandy,Brenda,Jimmy,Donna,Debbie,and Mike)she had 3 children(Hershel,Marquita,Jason)she loved her children. When Terry lived with me she always talked to me about her children how special they were and how much she loved them no matter what. Her kids were her life! Terry lived her last days with her sister Donna as they lived together for many years. Terry and Donna always reminded me of Thelma and Louise. They were like two peas in a pod. Terry will always remain close to my heart. I do believe Terry was saved and I know she's in a better place now resting peacefully. I will miss her so much but I know one day I will see my aunt again. Love to you always and forever!!! R.I.P. Aunt Terry. Trina
