

Toni Louise Campbell

September 7, 1948 - August 6, 2019

Toni Louise (Schelm) Campbell, 70, of South Haven, Michigan, and formerly of Monrovia, passed from this life on August 6, 2019 while surrounded by her loving family and in the comfort of her home. She was born September 7, 1948 in Indianapolis to the late Vincent and Eileen (Fuller) Schelm.

A 1966 Monrovia High School graduate and proud Bulldog cheerleader, Toni met her future husband and father of her children, Ned Campbell. The two were united in marriage on December 28, 1967. Ned enlisted in the United States Navy and they traveled throughout the US, being adventurous and living in several different states.

A passionate gardener, Toni was creative and artistic. She had a flair for table setting, often incorporating nature into her perfect placements. Color was everything in her art. She enjoyed taking trips to Las Vegas and visiting casinos with friends.

Toni was a self-employed Antique Dealer for thirty-four years. She often gave her grandchildren small trinkets as gifts. With a passion in her soul and a child in her heart, she knew how to get on their level. She enjoyed building forts, playing games and drinking juice boxes with them. A loving and free-spirited mother and grandmother, Toni nurtured her children with wisdom, encouragement and empathy. She was selfless matriarch, going above and

beyond to teach them the ways of the world. She will be deeply missed by all her family and friends.

Along with her parents, Toni was preceded in death by her infant son, Jeffery Campbell, and her brother, Fred Schelm.

Toni is survived by her loving children, Lora Tebbetts (husband, Steve) of Tecumseh, MI and Sarah Block (husband, Ryan) of Oceanside, CA; siblings, Herb Schelm (wife, Paula) of Monrovia, Diane Rhudy (husband, Don) of Monrovia, Jeanie Schelm (husband, Mark) of Bloomington, Sandy Hayes-White (deceased husband, Tom) of Monrovia, Patty Wallace (husband, Bill) of Monrovia and Kim Heald (husband, Dick) of Monrovia; grandchildren, Jessica and Emily; along with several nieces and nephews.

Friends and family are invited to gather on Tuesday, August 13 from Noon to 2 p.m. at Light Memorial & Funeral Chapel in Monrovia. A Celebration of Life Service will begin at 2 p.m., Richard Dickison will officiate, and burial will follow in Mt. Pleasant Cemetery, Hall. “ I have many fond memories of my Aunt Toni. The one that jumps out the most is when my brother Chuck and I would go to visit her and her family in South Haven every summer for a week. We had the most fun during those weeks. Aunt Toni would take us to the beach, take us to get ice cream, and to stores to buy toys. We would play with cousin Sarah and sometimes Lora all day long, go to the park and play video games on the family computer.

At the end of these long, fun days she would come into the den where Chuck and I would sleep. She would tell us bed time stories as we fell asleep. I would close my eyes and listen to her voice, which sounded just like my mom's voice. It was very comforting to a young boy away far away from his family.

I can't remember her ever saying a cross word or telling us no about anything we wanted. She had the kindest heart and I will never forget my Aunt Toni. <3

“ Toni and I were almost 18 months apart in age, but my mom raised us as twins. We were inseparable. We played, we fought, we stomped mud puddles together. We would sit in our favorite apple tree on hot August afternoons and make up "what if" stories. When upset with our parents we planned to run away to Oregon. Why Oregon, who knows, we never made that particular trip. One memory I have from our youngest years was her claim that "the sun" followed her. She was adamant about it to the point that I believed her. We stayed close over the years and our bonds were not breakable. In the mid 1970's I moved to South Haven for work and we always had each other's back. I wrote this little poem just for her and a remembrance of our closeness from the very beginning:

"Sister"

*You are a sister of my blood,
More....the sister of my soul.
We've lived within the universe
This life and eons more.*

*I'm of fire, you're of earth
And yet, its oddly true.
I feel the sun's reflection
As it shines to follow you.*

Rest quietly sweet sister of the sun. You were loved and you will be loved as long as I have breath. Until I can see you again I will hold your memory in my heart and in my soul.

“ Toni was so fun to be with. She was an awesome big sister. Toni had eyes that could see through to your soul. I used to tell her she had truth gauges and I could never get by without spilling my guts to her. :) She was a good friend and adviser. We had many adventures on our trips to South Haven, family trips to Florida and her trips to Monrovia. She loved with her whole heart. Toni was loyal and very protective of her daughter, family and friends.

Our hearts are broken and we will miss her always but we thank the Good Lord that he took her quickly and she did not have to suffer. I am proud to be her sister forever.

I remember riding Bob Rushton's school bus with Toni, Sandy and Kim. Toni was part of the class of 1966, my husbands class. She will be missed.
